

A Good News Story!

A New Career for Fah!

The Coastal Connections - Work Ties program recently assisted Fah to transition from the Adult Migrant English Program into a Certificate III in Individual Support at TAFE. Her BCAL mentors also assisted her with job preparation skills which she used to secure a position at a local aged care facility.

“Now I would like to volunteer in the class to help others to study and get a job. The BCAL team support and volunteer tutor helped me a lot. It can bring more people together in our community.”
